LEGISLATIVE COUNSEL'S DIGEST

AB 1742, as amended, Committee on Revenue and Taxation. Income and corporation taxes: interest: abatement: *administration: minimum franchise tax.*

Existing income tax laws provide for interest at a specified rate with respect to refunds and credits.

This bill would provide that any abatement of interest shall be made with reference to a specified law.

*Existing law requires the Franchise Tax Board to administer collections for various nontax programs, including the child support collections program. Existing law, in conformance with the Federal Personal Responsibility and Work Opportunity Reconciliation Act (PRWORA), requires employers to report the name, address, and social security number of a new hire to the Employment Development Department with 20 days following the date the new employee was hired. One of the purposes of the PRWORA is to locate noncustodial parents for the purpose of enforcing child support orders.*

*This bill would authorize the Franchise Tax Board to use the information required by PRWORA, among other laws, to be reported to the Employment Development Department for the purpose of enforcing collections under nontax collection programs that the Franchise Tax Board is required to administer.*

*The Corporation Tax Law imposes a franchise tax on a corporation that incorporates or commences doing business in this state. The franchise tax is measured by the income earned by the corporation during the taxable year, but not less than the minimum franchise tax of \$800. Existing law provides that the minimum franchise tax does not apply to the first taxable year of a corporation that incorporates or qualifies to do business on or after January 1, 2000. Existing law exempts a corporation from the franchise tax measured by the income earned by a corporation, if that corporation was inactive and if that corporation's taxable year was 15 days or less.*

*This bill would provide, for purposes of the minimum franchise tax, that an inactive corporation's first taxable year of 15 days or less will not be considered as that corporation's first taxable year.*

The Corporation Tax Law provides that a scholarshare trust is established and maintained as a qualified state tuition program, as provided.

This bill would make a technical change to that provision.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.
